Products manufactured in Europe.

GOULA is a brand name that guarantees compliance with all the EC toy safety standards.

All our products are designed and manufactured to the highest standards using wood from plantations for sustainable use and non-toxic paints and lacquers. Wood is a biodegradable material in harmony with nature. Its texture, shape, volume and warmth make it the most suitable material for children from their first months.

The mark of
responsible forestry

® Goula is a registered trademark of DISET, S.A.

FSC® certified products are identified with the FSC® logo.
